December 2016

Dear SITE member:

We are going to need everyone's help in this effort!

SITE Improvement Association is starting a data base of contractor members and potentially their employees to help us in our legislative efforts for the 2017 Missouri Legislative session. With the results of this year's election, various legislative issues that in the past have been stalled, now have a real chance of passing and becoming law. We already believe the legislature will pass, and Governor-elect Grietens will sign, a bill making Missouri the 27th Right-to-Work state. When exactly that will become effective, is still up in the air.

What is also being discussed are bills either repealing entirely Missouri's prevailing wage law or modifying it in ways SITE contractors may or may not like. The state prevailing wage law has a direct impact on you and your company if you bid public works projects in Missouri. It will be up to the construction industry to preserve it or modify it in a way that will not adversely impact your company.

SITE's staff is requesting members; owners, managers, and anyone in your company to let us know who your state senator and representative are for your home and any other property you may own in other legislative districts or if you or someone in your employment has a personal connection with an elected state officeholder; i.e. went to school with the person, lived next door at one time, etc. We can already determine your elected official for your business address. The information will be kept strictly confidential and utilized only by asking you or one of your employees to make a personal contact with the elected representative or senator where you live, your business is located or where you have additional property when that contact is needed.

Personal contacts such as; face-to-face meetings, phone calls, e-mails or letters are what it is going to take to prevent legislation from being enacted and signed into law that may hurt your company, such as repeal of the prevailing wage law. After the contact has been made, a response can be sent into SITE's office explaining the elected official's position on the issue.

Please take the time to complete the attached form and send to SITE either by e-mail at leah@sitestl.org, fax to 314/966-2999 or regular mail to SITE 2701 Exchange Dr., St. Charles, MO 63303. Receiving this information by December 20, 2016 would be most appreciated.

Sincerely,

Terry W. Briggs
Executive Director
Pc: SITE Board of Directors

Legislative Form
SITE Improvement Association

Please Print

_____	_____
Your Name	Company
_____	_____
Your State Representative	Your State Senator

If you don't know who your representative or senator is, you can access this website;

http://www.senate.mo.gov/LegisLookup/Default.aspx
[highlight the link and right click. Go to open hyperlink and left click]

and it will help you find out who your elected official is. You can contact the SITE office and we will assist you in this effort.

On the lines below, please list any other state representatives or senators that you know from personal friendships or having property within the representative or senator districts that you would feel comfortably in contacting:

_____	_____
Other elected Representatives you know	Other Elected Senators you know
_____	_____
Other elected Representatives you know	Other Elected Senators you know
_____	_____
Other elected Representatives you know	Other Elected Senators you know

Remember, return this information by December 20, 2016. Send to SITE either by e-mail at leah@sitestl.org, fax to 314/966-2999 or regular mail to SITE 2701 Exchange Dr., St. Charles, MO 63303. Your assistance is very much appreciated.
