

Road Board Funded Projects 2018 Construction

Investment in Infrastructure Expo
February 27, 2018

Mission Statement

The mission of the County Road Board is to recommend to the County Executive road improvements to be funded by the County's 1/2 cent transportation sales tax that promote safe travel on our local roads and enhance our communities.

County Ordinance

Priorities

- New Arterial Roadways or Improvements to Existing Arterials
- Congestion Mitigation
- Safety Improvements
- Economic Development Enhancement Projects

Past Expenditures

- Since 2008, the County's ½ cent transportation sales tax has provided over \$250 million in County funding to construct over \$400 million in transportation improvements.
- With changes in available funding the County funding percentage has varied by year from as little as 47 percent to as much as 88 percent of total project costs, with a 10-year average of 62 percent.
- The proposed 2018 TIP provides over \$15 million in County funds to construct over \$25 million in improvements, a funding percentage of just over 60 percent.
