

# CONSTRUCTION LEADERSHIP CERTIFICATE

**BUILDING LEADERS FROM THE GROUND UP**

This certificate is a collaboration between SITE Improvement Association and UMSL's Ed G. Smith College of Business, blending academic rigor with real-world construction industry expertise.

## WHY ENROLL *CEU AND PEU CREDIT*

### LEADERSHIP PATHWAY

Leading Self > Leading Others > Leading Teams > Leading Organizations.

### STRONGER COMPANY CULTURE

Strengthens culture, improves retention and builds high-trust, high-performing teams.

### OPERATIONAL CONFIDENCE

Strengthens leaders' ability to manage labor, legal, insurance and safety risks on the job.

### AI INTEGRATION

Applies real-world AI tools to improve decisions, streamline work and reduce costs.

### CAREER GROWTH

Prepares leaders to step into bigger roles and elevate performance across the organization.
