Recreation Center – Event Space

- Elevated ~5,000SF open floorplan event space to accommodate community meetings, celebrations, private events, classes and special programs
- Accessible, dedicated entrance within the decorative courtyard & covered seating

Recreation Center – Splash Pad & Playground

- The **splash pad** will be an accessible, zero-depth water play area on a slip-resistant safety surface
- Planned features include: interactive spray elements, gentle fountains, colorful ground features, benches, and shade structures
- The **playground** is designed to accommodate ~20 children ages 5-12
- Play opportunities include challenging climbers, thrilling slides & interactive play panels

City of Dellwood Football/Soccer/Lacrosse Field

- Regulation synthetic turf field for football, soccer & lacrosse
- Lighting with sound, bleachers, press box & storage
- 19 pieces of outdoor fitness equipment with climbing areas and safety surface
- Parking improvements & walkway access (South & existing)

Recreation Center – Farmer's Market & Food Truck Area

- Farmer's Market area with fabric sail shades
- Parking lane for food trucks with power hook-ups
- Additional event parking

City of Dellwood – Public Safety Building

- ~1,800 sf permanent modular public safety building
- Parking with ADA access
- Locker rooms, two restrooms with showers
- Meeting rooms & office space
