COUNTY

---

**St. Charles County**

**Road Board**

**½ Cent Transportation Sales Tax Fund**

---

# Mission Statement

---

## St. Charles County Transportation Planning

Our mission is to effectively and efficiently utilize the transportation sales tax to improve and enhance the transportation system throughout the county.

# Transportation Sales Tax

---

- The County's ½-cent transportation sales tax was first enacted by the voters in 1985 and has been reauthorized four times
- Funds from this tax (currently totaling over \$40M per year) are used **for improvements that enhance the mobility and safety of roadways** throughout the County
- These improvements are included in the three-year Transportation Improvement Plan (TIP)

# Meetings

---

**Third Wednesday of Each Month – In Person and Virtual**

January, February and/or March – Miscellaneous Items

April, May and June – New Project Presentations

July – Work Session

August – Road Board Recommendation

September, October and November – Project Updates
